

# To Prevent Child Abuse

Child abuse is a serious act that seriously violates the human rights of children and has a significant impact on their physical and mental growth and personality formation. To raise your children in good health, take an interest in child abuse issues and prevent child abuse.

What is "abuse" in the first place? What effect does it have on children?

## There are Four Types of Child Abuse.

### ● Physical Abuse ●

- Hitting, kicking
- Inflicting burns
- Drowning
- Locking out children
- Throwing things out

### ● Sexual Abuse ●

- Sex with children
- Forced sexual activity on children
- Showing genitals and sexual intercourse
- Taking pictures and videos of naked children

### ● Psychological Abuse ●

- Offensive words
- Threatening words
- Ignoring
- Unfair treatment among siblings
- Domestic violence, ranting, fighting in the family

### ● Neglecting ●

- Leaving at home unattended
- Not feeding
- Leaving severely filthy
- Leaving inside the car unattended
- Not taking to the hospital even injured
- Leaving abused by cohabitants other than parents

## Is Fighting Between Husband and Wife Abuse too?

### [How children feel]

- What's happening?
- Maybe they are fighting because of me?
- They are angry...I'm scared.
- What is going to happen? I'm worried.
- Am I going to lose mom, dad?

What will happen to children?

[What kind of impact will it have in the future?]

- Low-self esteem
- Disability in making good relationship
- Using force to solve a problem
- Afraid to go out into society

[What will happen to children?]

- Lack of composure
- Disobedience
- Revellious and violent
- Absent-mindedness
- Forgetfulness
- Absenteeism

## To Guardians

The police will notify or contact the child consultation center if they find an evidence that they believe a child has been abused. They also cooperate with each municipality and school to watch over children. Thank you for understanding.
