

Beware of bicycle theft

In Miyagi Prefecture, the number of bicycle thefts is increasing !

In order to protect your valuable bicycle from being stolen, let's take security measures!

~Tips for Preventing Bicycle Theft~

- ① When you park your bicycle, **lock it with two or more locks** . Make sure to also lock your bicycle even when parking it at home!
- ② **Park your bicycle in a parking lot monitored by surveillance cameras** when parking your bicycle somewhere other than your home.
- ③ **Registering your bicycle with the police for theft prevention is highly recommended!**
