

# 2025 Miyagi Prefectural Police Administrative Guidance

## Creating a Safe and Secure Community

~ Promoting police work that meets the expectations and trust of our residents while efficiently evolving with the ever-changing social environment~

### Strategic Overview

- Promote comprehensive countermeasures against anonymous and fluid criminal groups.
- Promote comprehensive measures for eliminating communications fraud as well as investment fraud and romance fraud on social media.
- Promote comprehensive measures against the threat of cybercrime.
- Promote comprehensive measures to deter crimes and support the healthy upbringing of young people.
- Crack down on crimes that cause public concern by arresting people who cause the crimes and improve measures against organized crime syndicates.
- Prevent traffic fatalities and eliminate drunk driving.
- Promote security measures for the 48th National Tree Planting Festival and provide swift and appropriate responses during emergencies such as disasters and terrorist acts.
- Strengthen our organizational structure to prevent gaps in vigilance.

### Basic Objectives

1. Curb the number of known criminal offenses  
We aim to bring the number of known offenses down to 10,000 cases or lower.
2. Curb the number of traffic fatalities  
We aim to bring the number of traffic fatalities down to 40 cases or lower.
